

MANGOREI SCHOOL RESUMÉ 2014

This scheme is based on the many **school** activities and opportunities throughout Years 7 and 8. It aims to promote participation and celebrate excellence in these areas.

In each area below there is **an example** of activities children could get involved in. They would get one point per activity unless otherwise stated, which must be signed by the person in charge. Once enough points have been accumulated then they may present their resume to their teacher for Achievement and/or Excellence at any time of the year.
