### KNOWING MYSELF, KNOWING OUR PLACE, FINDING MY FUTURE

*'E mohio pū ko wai au, e mōhio pū ki tāku turanga, kia rapu tāku huarahi'*

#### PRINCIPAL'S MESSAGE

Tena Koutou Mangorei Whānau,

A month of winter already done and we have passed the shortest day already - it'll be summer before we know so let's appreciate the refreshing feel of winter while we have it! This has been a real term of community connection for us and we have really appreciated caregivers making the most of any opportunities to come into school and support the 'city school, country heart' feel we have come to love.

This week is a big one for teachers as they have been assessing and working with your tamariki to get an accurate gauge on their progress since the start of the year. Teachers have been looking at what goals they have achieved and what these achievements look like compared to our curriculum expectations. You may have read some posts on your child's learning already this term on Literacy and Numeracy as Teachers let you in to see what they are blessed to be part of everyday. Please see later in the newsletter some information around how to access their Learning and Progress and their Mid-Year 2024 Report showing their teacher's Overall Teacher Judgement. Tomorrow is the day where all this comes live on HERO so please make some time in your evening to have a look through the Learning and Progress and Report 2024 tabs on your child's profile. It will also include some bullet-points from the teacher on what they would like to bring up with you at the hui. You can then comment on these and add in your points that you would like to raise in this hui. This is helpful for teachers as they can prepare for your points to make effective use of the time.

Also tomorrow (Thursday), 15-minute appointment booking times come live on HERO A reminder we are doing these on Friday 26<sup>th</sup> July across the day, starting at 8.30am and finishing at 5.30pm. This means that you will come to school at your appointment time with your child and then leave with them once done. Thank you for your patience with this while we trial this approach to accommodate our families with more than one child, and also to support the wellbeing of the teaching staff.

If you do need care for your child on the day, **Carl Robb** and the Kelly Sports team will be running a day programme from the school hall. There is a cost involved and you will need to book in - there will be information later in the newsletter on this including a link. If this is the case you can pop in and collect them from the hall to go to your learning hui, then drop them back there afterwards.

As we reach the end of the term I want to wish everyone a magic winter break. We love the caregiver support we have from our community and look forward to reconnecting again in the new term. Keep safe and warm!

Ngā Mihinui,

**Gary Poulgrain**  
TUMUAKI

## DELICIOUS DUMPLING MAKING

Some of our students have had fun this week making dumplings with ***Tingting***, here are a few photos from the cooking session! Tamariki in Y7/8, as part of their Second Languages programme, had been learning Chinese Mandarin as well as aspects of the Chinese Culture.

## RĀNUI CELEBRATIONS

We are having our end of term 2 celebrations which are a Mangorei tradition. We love to learn but ... there comes a time to celebrate learning with some good social fun amongst the syndicates! This is called our Rānui (Rā = Day, Nui = Big) Big Day. The Rānui are being held on **Friday** as follows:

### TE TIHI O TARANAKI RĀNUI

Our Rānui event will be here at school. We will be watching Postman Pat the movie in the classroom. We look forward to ending a busy term with a relaxing afternoon.

### AHUWHENUA RĀNUI

For our rānui we have the following planned:

**Before lunch:** 11:30am - 12:30pm Walk to Tupare

Nature scavenger hunt/game (seaweed on the green bottom field)

**Lunch Eating:** Students may have a small single serve sized treat in their lunchboxes for lunch eating (No drinks/gum)

**Afternoon:** 1:30 - Options: Choose 1

- Crafty creations with **Mrs Gwerder**
- Minecraft with **Mrs Rowson**
- Movie - Inside Out with **Mrs Moffat**
- BYO board games/chess with **Mrs VGB**

### TE TAI-O-RĒHUA RĀNUI

On Friday this week we will be having our Year 7/8 Rānui. We are heading to the Skating Rink by bus, leaving school at 12.00pm and returning at 2.45pm. If the weather is good we will enjoy our lunch on the grass area outside the skating rink, if it is wet we will eat inside the rink building.

The canteen at the rink will be open and students can bring a sensible amount of money to buy snacks and drinks, no more than \$10 please and it will need to be cash. Last time we struggled with changing larger notes and giving change so it might be a good chance to get rid of some coins if you have them!

The cost for the use of the rink is \$8 per student and \$5 for the bus will be added to your child's account. If you already know your child will be away on the day please email their classroom teacher to let them know.

A Huge 'Thank You' to **Merrilands New World** for providing our tamariki with apples this term. We very much appreciate these donations.

... And also to **Jason Rail** for the fantastic donation of craft supplies, our tamariki will enjoy creating with these.

... And also to **Stephanie Taylor** who volunteers in our uniform area ensuring our tamariki look their best when they represent the school

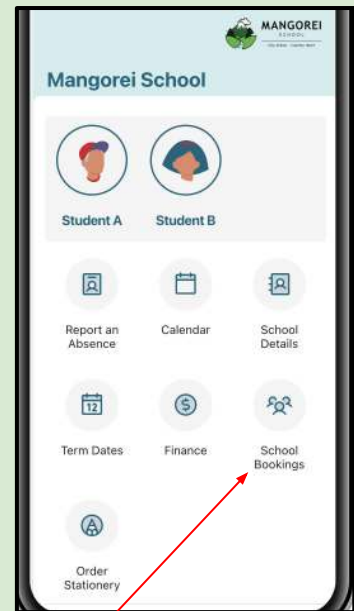

## MANGOREI SCHOOL MID-YEAR LEARNING HUI (A MUST READ!)

Mangorei School's Mid-Year Learning Hui will be held first Friday back! This is a meeting with the classroom teacher, whānau, and your child to discuss progress and goals to continue working on. You would have read a breakdown of this on the front page. **This means that we are asking our community to keep their tamariki at home and then bring them for their appointment at school, then head home, over the day.** Appointment times come live on HERO tomorrow afternoon.

Tomorrow each child will get a post on their **Learning and Progressions** page on Hero, going into more detail about what your child's teacher would like to discuss with you during this hui. It would be fantastic if you could look through your child's **2024 report page** (which shows their dial, goals, and graphs of the key curriculum areas) and also their **Learning and progressions** page (which shows some of your child's work so far this year) and come prepared with some discussion points or any questions you may have about your child's school life! You can comment on the post, in which you add any points you want to raise in the hui.

You will be able to book in for a time to meet with your child's teacher through the Hero app when it comes live **tomorrow afternoon**. Click on the school booking icon, select your child's teacher and then select a time that suits you.

## YEAR 5/6 INTERSCHOOL SPORTS EXCHANGE Vs INGLEWOOD PRIMARY SCHOOL

We would like to thank Inglewood Primary for hosting us and the way in which they showed great enthusiasm and wonderful manners whilst we were there.

The scores were as follows:

<b>NETBALL A:</b>	5-7 to Mangorei
<b>NETBALL B:</b>	0-7 to Inglewood Primary
<b>FOOTBALL:</b>	2-3 to Mangorei (After extra time in Penalty Shootout time...again!)
<b>RUBY:</b>	35 - 41 to Mangorei
<b>CHESS:</b>	18.5 - 22.5 to Mangorei
