## **PRINCIPAL'S MESSAGE**

Kia Ora Whanau o Mangorei,

A huge thanks goes to the community for the support for '*Pack the bus'*. We hope that the donation of goods from your homes provided a chance to have a kore or with your child about the bigger picture of helping others in need and the wider community view of caring for all. Special thanks to our school council for the coordination of this at school and to *Mikayla Maxwell* for providing us with the opportunity to do so. When *Perty the Mouse* arrived to help collect them he caused quite the smile from our kids.

Last week I mentioned all the opportunities that are around at present for a connection between home and school. Next Wednesday afternoon we have our music performing groups showcasing their talents in the hall. If your tamariki is in Kapa Haka, Choir, Ukulele, Brass or Band then please come along! We do this because they do perform in the special Year 8 assembly as well, but due to our hall space we can only have our Year 8 Caregivers and whānau present for the final assembly. <u>This one is for all. Please RSVP to the office!</u>

On Monday the Science Roadshow rolls into our school hall and as well as hosting some other schools in the morning block, all our Y4-8 students will get to go and see the science demonstrations and look at the interactive exhibits. If you'd like to attend, drop an email to your child's teacher. There will be a group of our senior students involved as leaders over the day with the science crew. Our tamariki have had use of the House of Science kits over the year with lots of great learning being done. I know some of our Year 7 and 8 students had lots of fun burning things recently as part of a fireworks unit! We still get a lot of comments from visitors from the science investigations our students have done that are set up in the office with the great thought involved in these.

The book fair has taken over the library and classes have all ooooed and ahhhhhed over the new pukapuka! This culminates on Friday with our book character dress up day and parade run by our school council. We took in \$1397 on the first day alone and we will receive a percentage of this back in new books for the library so win-win for all! Special thanks to our parents who have helped out and to *Anne Stuck* and *Stacey Ross* for getting this operational in the school.

It was great to see a number of Mangorei families involved in the hīkoi through New Plymouth last weekend. As our family walked up Devon Street it was great to see a unity and a peace in bringing to attention the importance of our treaty. If you have not been involved in finding out about this I encourage you to find out about this space.

Lastly a huge thanks to our teachers for the continued organising of such rich experiences for our children. When you read through the newsletter with what is yet to come in our final weeks I want to be a kid again!

Have a magnificent rest of week and a well earnt restful weekend ahead.

Ngā Mihi,

Gary Poulgrain TUMUAKI **EVENTS CALENDAR**

# YEAR 7/8 CAMP 2025

As mentioned in last week's newsletter, we are beginning preparations for our Year 7 and 8 camp at Forest Lakes in Otaki for next year. The week-long camp is from **Monday 17<sup>th</sup> March 2025 - Friday 21<sup>st</sup> March 2025**. We will be travelling down on Monday by bus, spending Tuesday and Wednesday at camp, taking a day trip to Wellington on the Thursday and then travelling home on the Friday. We will be holding a camp information meeting for our parents early in Term one for those who would like to find out about the finer details of the programme. The date for this will be confirmed in the first few weeks of next year.

We are still working on bookings etc, but the cost for camp in 2023 was \$405 per student just to give you a heads up. Once confirmed, payment can be made in 2025. Many parents set up payment plans to cover this cost, our office staff are more than happy to help you out with this.

Parent help will play a big part in our camp being a success. It is a busy but very rewarding week and we ask that you have a good level of fitness, a willingness to get involved and a good sense of humour. We are asking for offers of parent help so that we can get police vetting completed well before camp and parent's can organise leave if necessary.

Thank you to those that have already filled out the form, If you are considering being a parent helper please click on the link below and fill out your details.
